

Coming Back to School

Soon some children will be coming back to school. When you come back to school things will be a bit different

You might not be with all of your class. You will be in a group with some children from your class, a teacher and a teaching assistant - this will be your POD

This POD will be together all day
You might not be with your normal teachers -
but they will all be people you already know

They know that you are in their POD and are
looking forward to working with you.
Your POD might not be working in your
classroom but it is just a classroom and it will
be your POD's room

The PODs will look a bit different - the tables will be spaced out, but, there will still be books and equipment to use.

You will have your own pencil, crayons, whiteboard, pen and things like that you won't have to share!

Everyone will be having a packed lunch provided by school at lunchtimes

You will eat this in your POD's room.

You will still get to go outside to play
(unless it rains)

You will not need to wear your school uniform,
but you must try to wear clean clothes every
day.

Because there is a virus around we will be
washing our hands a lot more to help keep
everyone safe.

It will be lovely to be back in school and see our friends again but we must remember to try to keep a little bit away from each other.

We can still be friends even if we don't touch

We know everyone is a little bit worried about coming back to school. Your teachers are really looking forward to seeing you and we can all help each other to keep safe whilst we are learning.
